EDUCATION

Mirzapur Cadet College (High School) — Mirzapur, Tangail, BGD
Pre-Military Boarding School — April 2019 - August 2025

- **Rank:** 2 / 46, Unweighted
- **GPA:** 5.00 / 5, Unweighted
- **SSC (Secondary School Certificate):** GPA: 5.00 / 5
- **HSC (Higher Secondary Certificate):** GPA: 5.00 / 5

TECHNICAL SKILLS

- **Programming** (C, C++, Python) — 6 Years
- **PCB Designing** (Kicad EDA, Autodesk Eagle) — 4 Years
- **3D Designing** (Solidworks, Fusion 360) — 4 Years
- **Front-End Web Development** (HTML, CSS, JavaScript / jQuery) — 2 Years
- **Graphic Designing** (Adobe illustrator, Adobe Photoshop, Krita) — 5 Years
- **Motion Graphics** (Adobe After Effects, Blender) — 3 Years
- **Animation** (Adobe Animate, Krita) — 2 Years
- **Video Editing** (Adobe Premiere Pro, DaVinci Resolve, Filmora-X) — 5 Years

PROFESSIONAL EXPERIENCE

Ubion.co (KOSDAQ listed leading tech company) — Seoul, South Korea
Algorithm Designer — 2023 - 2024

- Designed and tested household robots using Lidar & Deep learning.
- Trained 8 international students on ML, Data Structure, and Open CV.

Open Sourced Research — Online
Contributor — 2022 - Present

I actively contribute to open-source research and engineering through my GitHub profile (https://github.com/tajwarTX), where I share robotics project, engineering documentation and other works. Including recent projects:

- 3D Mapping with Robot Operating System and Simultaneous Localization and Mapping
- Neural Network model
- JetAuto ROS Robot using Jetson Nano
- Ackerman steering with differential gear box efficiency test
- VR Drone Simulation with advanced mapping, path recovering systems.

MultiGP Drone Racing Community Bangladesh
FPV Drone Racer 2023 - Present

- First certified FPV Drone Racer in Bangladesh with 250+ hours simulation flight experience.
- Bronze Medal in FPV Simulation Racing IRO 2022.

RED Leaf Society (Education, Fundraising, Disaster Relief) Dhaka/Sylhet, Bangladesh
Junior Executive Board Officer 2022 - 2023

- Social media chair and video editor
- Fundraised $4.5k for RED Leaf Charity
- Organized disaster relief camp for 2023 flood

The Ephemera Club International
Eco-Engineering Volunteer 2025 - Present
Multinational student-led nonprofit preserving everyday stories through art and sustainability. Where I repurpose plastic waste into 3D-printed assistive devices such as prosthetics, integrating recycling, design, and technology to support the club's mission of transforming discarded materials into meaningful impact.

Flying Labs Bangladesh Dhaka, Bangladesh
Founding member 2022 - 2023
A non-profit innovation hub empowering young drone and data enthusiasts through hands-on learning and emerging technologies. We connect local and global communities, collaborate with Flying Labs (https://flyinglabs.org/bangladesh), and contribute to the Sustainable Development Goals by 2030. As part of this mission, I was part of the Bangladesh's first free hands-on drone session with 50+ students, fostering local skills and promoting the innovative use of drone technology.

IRO and WRO Teams Dhaka, Bangladesh
Robotics Program Director 2023 - Present
Mentored teams through the full engineering process, from mechanical design and coding to testing and presentation. Helped students integrate AI concepts and sustainable design thinking into their robotic solutions, achieving competitive results in global tournaments.

LEADERSHIP EXPERIENCE

Insignia Scool 2025 - Present
AI Systems Architect
A multidisciplinary research startup advancing innovation in artificial intelligence and data science. Collaborated on projects exploring machine learning applications across education, design, and sustainability, contributing to research discussions and prototype development.

MCC Robotics Club 2022 - 2025
Founder and President
Established the 1st ever Robotics Club in MCC. Where I led team to International Robot Olympiad Finals and also hosted Inter Cadet College Robotics Workshop for 95+ students. Arranged weekly hackathon, workshops and exhibitions.

MCC Programming Club 2023 - 2024
Vice President, Mentor
Taught different programming languages to 50+ students. Such as: C, C++, Python, and Html. Arranged Advanced ML course from CADD Centre where 30+ cadets successfully completed the course.

Coloring Ideas Club 2022 - 2025
Founding Member
Curated MECA Reunion Art Exhibition and raised $3.5k for renovating Art Gallery. Coordinated 114 artworks, managed logistics and entertained 3k+attendees to observe the depth of the paintings and to purchase.

Nazrul House 2024 - 2025
House Culture Prefect (12), Jnr. Class President (11)
Elected out of 300+ candidates to manage all cultural activities of students. Led 110 students in extracurricular activities and organized 15+ cultural events. Mentoring individual students one to one to find their cultural talents increased participation by 40%.

AWARDS

International Robot Olympiad South Korea, Thailand, Greece
International November 2020 - December 2023

- **Gold Medal:** 1
- **Silver Medal:** 4
- **Bronze Medal:** 2
- **Technical Award:** 2

World Robot Olympiad Panama
International 2023

- **World Ranking:** 11th out of 120 countries (Future Engineers Category)

World Robot Olympiad Singapore
International 2025

- **Bronze Medal** out of 118 countries (RoboMission Category)

AI Autonomous Driving (IRO) Greece
International 2023

- **Silver Medal**

Bangladesh Robot Olympiad Bangladesh
National August 2020 - September 2023

- **Gold Medal:** 1
- **Silver Medal:** 1
- **Bronze Medal:** 1
- **Technical Award:** 2

World Robot Olympiad Nationals Bangladesh
National 2025

- **Bronze Medal**

World Robot Olympiad Nationals Bangladesh
National 2023

- **Technical Medal**

Bangladesh National Museum of Science and Technology Bangladesh
National 2024

- Junior Scientist Award

Bangladesh ICT Division Bangladesh
National 2022

- Award for International Achievements

School of Robotics BDRO-ICCRW
Course 2022

- Certificate of Completion

Machine Learning Using Python CADD CENTRE
Course 2022

- Certificate of Completion

Recognition of Outstanding Performance Mirzapur Cadet College
School 2023

- In the Field of Academic/Co-curricular/Extra Curricular Activities

Internal Competition Mirzapur Cadet College
School 2019 - 2025

- **1st Position:** Inter House Painting Competition 2020
- **1st Position:** Inter House Essay Competition 2020
- **Champion:** Inter House Creativity Exhibition Competition 2022
- **Champion:** Inter House Wall Magazine Competition 2022
- **Runner up:** Inter House Cricket Competition (Junior Group) 2022
- **Runner up:** Inter House Volleyball Competition (Senior Group) 2023
- **Champion:** Inter House Cricket Competition (Senior Group) 2024
- **Best Coordinator:** Inter House Current Affairs Display Competition 2024
- **3rd Position:** Inter House Athletics Competition (Hammer Throw) 2024
- **Champion:** Inter House Volleyball Competition (Senior Group) 2025

ART PORTFOLIO

Mahir Tajwar Chowdhury

tajwar185@gmail.com

ARTIST STATEMENT

Golden light filtered through the trees, casting intricate shadows on my easel. As if deep hidden stories of beauty and simplicity are lost beneath those trees which are yet to be discovered. Intrigued by its fleeting beauty and to discover those stories, I realized art was my way of preserving its unfiltered essence.

When I paint, I try to capture those perceptions on canvas. I observe the interplay of light and shadow with the subtleties of texture and the vibrant yet harmonious colors. Each precise brushstroke of acrylic paints builds depth and movement to my pieces. I pay close attention to composition balance and contrast, ensuring that each of my strokes expresses the overall theme of the subject.

For still-life studies, I arrange simple objects like a bottle beside an apple. Then I try to focus on their forms and textures. Once I noticed how the bottle's glossy surface reflected the apple's vibrant red, creating an unexpected harmony, I patiently work with the details capturing those interactions. It allows me to preserve moments of stillness and connection.

I strive for a mix of realism and abstraction while I look for perfection in details. I often emphasize brush strokes and textures to evoke emotional responses like creating a sense of calm and peace. Painting has taught me patience, observation, and the value of slowing down. Through my art, I hope to inspire others to pause, observe, and rediscover the quiet beauty that surrounds us all from a different eye, one that my pieces invite them to experience.

EXPERIENCE

Drawing — 13 Years
Pencil (Sketch), colored pencil, pen, graphite, charcoal, pastel, colored markers.

Painting — 10 Years
Oil color, acrylic, water color, poster color.

Glass Painting — 6 Years
Acrylic, glass color.

Collage Art — 5 Years
Textiles, ephemera, newspapers, sand, small rocks, eggshell, color paper.

Photography — 4 Years
Nature, flowers, portraits, events, concerts.

Street Painting — 2 Years
Plastic paints, acrylic, charcoal, spray paint.

EDUCATION

BMA Children's Club 2011 - 2014
4 Years of arts education in drawing and coloring.

Abhaya Art Academy 2015 - 2017
3 Years in sketch, painting, designing education.
- La. Rubel Chakraborty

Shilpakala Academy 2018 - 2020
Fine Arts education in oil painting, acrylic.
- Dabaraj Mishra (Dhaka Art College)

Mirzapur Cadet College 2020- 2024
College Arts and crafts education.
- Morsalin Bin Kashem

AWARDS

World Environment Day (Hill District Art competition) / Special Award 2011

Diploma in "CHITRA MUKUL" (Shilpakala Academy) by BMA / Course Completion

- **Preliminary:** Grade 'A(+)' June 2011
- **Preliminary Final Semester:** Grade 'A (+)'. December 2011
- **1st year Final Semester:** Grade 'A'. June 2012
- **2nd year Final Semester:** Grade 'A (+)' June 2013
- **3rd year Final Semester:** Grade 'A (+)'. June 2014

Inter House Wall Magazine Competition (MCC) / Champion 2022, 2023

Inter House Painting Competition (MCC) / 1st place, 2nd place 2021-2023

Publications / Artist 2020-2024

- **"Green Valley"** MCC English Periodical: 2 cover designs, 12 paintings, and 4 photos.
- **"Aronnok"** MCC Bangla Periodical: 4 cover designs, 8 paintings.
- **"Biennial"** MCC Annual Magazine: 2 art editorial, 8 photos.

Art Exhibitions / Painting

- **Shilpir Chokhe Khagrachuri** 2017
- **15th Annual Art Exhibition (Shilpakala Academy, Chittagong)** 2014
- **MECA Reunion Art Exhibition** 2020
- **Year Final exhibition** 2019-2023
- **Coloring ideas Exhibition** 2020-2022
